

**The Law of Attraction  
is the Most Powerful Law in the Universe  
Phenomenal Burst of Information Changes Website**  
By Leah LaChapelle

"Thoughts are magnetic, and as you think a thought, it will attract another and another and another, until eventually you will have physical manifestation of the vibrational essence of whatever has been the focus of your thoughts." *The teachings of Abraham (Ask and It Is Given, by Esther and Jerry Hicks)*

*FearOrLove.com will no longer be reporting on what is not wanted!*

"It is like the opposite ends of a stick. When you pick up a stick, you pick up both ends." (*Abraham*)

*We are committed to posting what is helpful for You, a vibrational Being, to be a vibrational match with what you want for yourself and the world.*

*By presenting an overview of New Paradigm possibilities, it is our desire to partner with our readers to live not toward the SHIFT in conscious awareness, but from the SHIFT.*

"The key to bringing something into your experience that you desire is to achieve vibrational harmony with what you desire. And the easiest way for you to achieve vibrational harmony with it is to imagine having it....." (*Abraham*)

*In the spirit of cooperation, and wellbeing, FearOrLove.com brings news of transcendence so you can imagine and vibrationally create a future of true freedom for all Mankind.  
There is BIG NEWS FROM FearOrLove.com:*
