## **33 Reference Points for Evidence of Your Shift Within** *Opening Our Freedom Bridge Through the V-Power Phenomenon*

by Leah LaChapelle

OPEN to

Divine Feminine - **be sure to scroll down to see the "V" images.....!**

# The "V"

**... has been showing up everywhere.**

The phenomenal appearance of the letter "V" is a subliminal sign, message, and call to all beings to be transformed into balanced Divine Feminine Presence, as our own freedom bridge.

Why does the "V" represent Divine Feminine? Because it's an image of **OPEN**.

Open as in, you can't give birth with your knees closed!!

Likewise, we can't give birth to the new conscious humanity with our hearts closed!!

The "V" is a picture of the energetic posture and vibration of the divine feminine: **OPEN**.

this is all about the opening of our HEARTS  
as birthers of the freedom that we are.

Divine Feminine is another way to say  
the opening of the heart - - - all the way open!

There are 2 basics for the opening of the heart:

\*Releasing all judgement

\*Placing your masculine orientation in service to your feminine  
orientation. (This is a balancing within each individual.)

Interesting....

the letter "V" is the Roman numeral "5".

"V" is also the 5th letter from the end of  
our English alphabet.

Welcome to the 5th

dimension

and the birth of the Golden Age of

Divine Feminine!
